Wanhuida hosts EU-themed branding symposium in Shanghai

Media Center > Events

On Monday July 21, 2025, the Symposium on "Challenges and Strategies for Trademarks and Brands of Enterprises Expanding into Europe", which is hosted by Wanhuida Intellectual Property, in combination with Shanghai Trademark and Brand Association, Shanghai Business Information Center and the firm's affiliate Beijing Wanhuida (Shanghai) Law Firm, organized by the Beijing Justra Intellectual Property Center, is held at the premises of Wanhuida Shanghai Office.

Bai Gang, Founding Partner and Management Committee Chair of Wanhuida Intellectual Property delivers welcome remarks at the event. Mr. Bai accentuates that under the context of globalization, Chinese businesses looking to expand into the European market need to navigate complicated IP regime and sometimes wrestle with pre-emptive trademark registrations. He advocates for the concerted efforts from the government and the business community to address the challenges.
