On September 10th - 14th, 2025, the 2025 China International Fair for Trade in Services (CIFTIS) is convened at Shougang Park, Beijing. Themed "Global Services, Shared Prosperity", the event attracts participants from 85 countries and international organizations.

As part of the CIFTIS and a major international exchange platform for the IP service industry, the 2025 International Conference on the Development of Intellectual Property Services, which is jointly organized by the China Council for International Investment Promotion and the Capital Intellectual Property Services Association (CIPSA), is held on September 11th. The conference has been held eight years in a row.

Bai Gang, Founding Partner and Management Committee Chair of Wanhuida Intellectual Property, moderates the morning sessions of the conference, in his capacity of CIPSA President.

The conference is kicked off with the opening remarks delivered by Lu Pengqi, Deputy Commissioner, China National Intellectual Property Administration (CNIPA), Zhou Liquan, Deputy Director General, Beijing intellectual Property Office and Zhou Xiaoyan, Executive Vice-President, China Council for International Investment Promotion.
