## Expertise Makes It Possible

# Wanhuida ranked by MOZLEN500

### Media Center > Recognitions

On May 2, 2026, MOZLEN, a Chinese start-up platform specializing in trademark AI search, analysis and management, releases the Winners of the 2026 MOZLEN500 (International Edition): China Foreign-related Trademark Agencies, during the 148th annual meeting of the International Trademark Association.

Wanhuida Intellectual Property is ranked in the first tier (Diamond AAA+++ band) for its outstanding trademark expertise, abundant experience and international clout.

Dr. S. Sam Li, the firm's Partner and Management Committee member, receives the award on the podium.

S. Sam Li (L3)

MOZLEN is the winner of the 2023 INTA Open Innovation Challenge (Start-up category). The MOZLEN500 is a directory showcasing the leading Chinese trademark agencies serving foreign clientele. The judge panel would scrutinize the candidates on an array of parameters to assess their eligibility, including industrial clout, trademark filing and adjudication data, team size, industrial accolades, among others. The winners are featured in four categories: Diamond AAA+++, AAA+++, AAA++ as well as AAA+ to differentiate their levels of expertise.
